Special Airfare Note:

By the time the Indian Government confirmed the immunization dates, it was too late to secure a group airline contract. Therefore, the tour price ONLY includes ground services; it does not include roundtrip airfare. You can either secure your own air reservations, or request this service from Howard Tours on the enclosed application. Our airport transfers and itinerary are coordinated with United Airlines flight itinerary, which arrives in Delhi from Newark on United flight 82. United generally offers the lowest airfare and most convenient flight itinerary from throughout the U.S. Members who do not use United Airlines designated flights are responsible for their own airport/hotel transfers.

Current United Airlines economy class roundtrip airfare between Newark, New Jersey and Delhi is approximately \$1385, plus a \$50 service fee. Quotations for other originating cities are available upon request. Availability and airfare are subject to change until the tickets have been paid for and issued. We will then immediately secure your reservations. Once secured, we will reconfirm your flight itinerary and airfare BEFORE purchasing your airline ticket.

Howard Tours

Founded in 1948, Howard Tours has been operating tour programs for more than six decades. Thousands of Rotarians have traveled with us to participate in polio eradication trips, wheelchair deliveries, and humanitarian missions. This is the 18th polio eradication program we have organized, and the sixth such trip to India.

This program is designed to be a mix of polio eradication, humanitarian mission, friendship exchange and sightseeing. In the past Rotarians who have taken this trip asked us to include sightseeing to the Taj Mahal and other popular destinations as a part of the trip. Therefore, this year, we are including visits to the Taj Mahal and Jaipur, to enhance your overall experience. This travel program includes almost all of your essential travel needs so that you do not need to pay for additional services after our arrival in India. Please refer to our terms and conditions for specific information regarding what is and is not included.

Rotarian Purpose

Our Indian hosts have opened their arms to receive us by helping to create a unique and exceptional itinerary. In addition to our participation in the National Immunization Days (NID), we will participate in special Rotary activities and events. **During our visit, all participants will be expected to attend all events and official programs**, including the National Immunization Day activities and Rotary club visits.

GOOD-BYE POLIO
